Suffolk & North East Essex Primary Care Network (PCN) Footprints

# The job

- ▶ You will be employed as an acting Physician Associate & expected to be practicing as a recent graduate/new-to-practice PA with GP supervision.
- ▶ Timetabling will allow for adequate debriefing time and clinical reviews.
- ▶ As part of the programme we ask that you keep a record of the patients you see, their clinical presentation, and how well equipped you felt dealing with the problem.
- ▶ 1 session-per week release to take part in the PA primary care foundation programme - a bespoke 1 year teaching programme for new-to-practice PAs.

# Expression of interest

- ▶ If you are interested in the scheme, please scan the QR code to fill out our EOI form.
- ▶ For any questions please contact the Physician Associate ambassadors @
